Did you know?

Interesting facts about our international cuisine

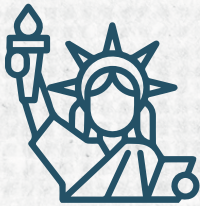

Panamanian Food

Did you know that Panamanian sancocho , a traditional dish, is considered a "soul food"? It has indigenous roots and is usually served at family celebrations.

Mediterranean Food

Did you know that hummus has more than 1,000 years of history? This chickpea-based dish is so popular in Israel that there are even national hummus competitions.

American Food

Did you know that the hamburger became popular in the United States at the beginning of the 20th century? Although its origin is debated, the combination of bread and meat comes from German immigrants who brought the idea of the "Hamburg Steak"

Chinese Food

Did you know that the wok, one of the most emblematic tools of Chinese cuisine, was invented more than 2,000 years ago and allows food to be cooked quickly to preserve nutrients?
